

Dear Parents,

Please take a minute to read the following information on inclement weather closings and delays. On days there is a weather-related delay or closing no one will be in the school building to answer the phone.

1. Hudson Hills Academy will follow the Beacon City School District for all weather-related delays and closings.

<https://www.beaconk12.org/>

2. If there is a weather delay, half day preschool and morning care are canceled for the day.

3. Please check the Hudson Hills Academy website for closing and delay updates.

4. Hudson Hills will not send emails regarding school closings or delays.

5. Please sign up for WHUD texting/email notifications if you haven't already. **Instructions are at the bottom of this email.** The WHUD Storm Center website also posts a list of closings and delays. You may also sign up to receive notifications from the Beacon City School District.
